My dear

I express case
to you as per promise.
would have sent Lenses
also - but feared to
pack them - or could
not well enclose with
case - will bring in
next week - always
provided - contingencies
do not arise - to prevent
- such as absence of vitality
etc..

Yours truly -

Also Send Lenses.

A large, dark, handwritten 'X' mark is drawn across the page, crossing from the top left to the bottom right and from the top right to the bottom left. The lines are thick and slightly irregular, suggesting they were drawn with a pen or marker. The 'X' is centered on the page and covers a significant portion of the text area.

~~Not to be sent~~ Air Shipped.
with Case - if you will
honor Express bill - it
can be cancelled return
us afterward - as the
dividend is not posted on
rates - and the chances
are in my favor at the
other end -

Yours m^y -
